

North Lodge, Plane Tree Drive, Adelaide Botanic Garden

Sunday 3 July, 9am – 12 noon

\$40.00

Successful nature photography, especially garden photography doesn't need expensive equipment.

Amazing images of many subjects can be captured with your smart phone or tablet.

The Photography Group of the Friends of the Botanic Gardens of Adelaide is offering a short workshop that will show you how to get the best from your smart device.

The workshop will include a short one hour shoot in the Adelaide Botanic Garden and will cover:

- Basic use of a smart device to take images
- Essential photographic techniques such as lighting, composition and exposure
- Techniques to enhance your photography of natural subjects and other features of the Gardens.
- Wildlife Photographer of the Year Exhibition Entrance

Bookings friendsabg@internode.on.net

Note Change of Venue for Workshop
